Career Summary

Cameron Silverstein is a commercial real estate professional specializing in industrial property sales and leasing throughout Northern New Jersey. With a deep understanding of market dynamics and a commitment to delivering exceptional results, Cameron represents tenants, landlords, buyers, and sellers across a wide range of industrial real estate transactions. At NAI James E. Hanson, Cameron applies a client-centric approach to every assignment, leveraging strong market knowledge, analytical insight, and strategic negotiation skills to support his clients' business goals. His expertise spans industrial leasing, investment sales, land disposition, and corporate site selection — enabling clients to make informed decisions in a highly competitive market.
