## Healthcare Real Estate

**Kim Kretowicz**, a designated member of the NAI Global Healthcare Advisory Group, focuses on expanding the healthcare real estate platform at NAI James E. Hanson through national industry relationships, advancing healthcare real estate opportunities across New Jersey.

Kim advises health systems, physician specialty groups, institutional investors, family offices, international investors, developers, private equity groups, and REITs on strategic real estate solutions, including medical outpatient investment sales, physician sale-leasebacks, and healthcare leasing.

## Monmouth County Commercial Brokerage

In **Monmouth County**, Kim specializes in office leasing and investment sales. Building on an established presence in the local market, advises owners, tenants, and investors on strategic real estate assignments while expanding the presence of NAI James E. Hanson in the county.
